

NO SHOW AND CANCELLATION POLICY

Please Provide PA with 24 hours notice prior to your rental or flight lesson. If PA is not provided with 24 hours notice/medical note or the student has not shown up post 15 minutes a \$67 cancellation fee will be added to your next lesson tab.

Provincial Airways has many pilots eager to make use of our aircraft. This policy is to help ensure that the bookings that are unused are available to other students/renters who need them and helps to compensate Flight Instructors for their lost time.

The Cancellation Policy does not apply for:

- Weather Unsuitable for Lesson
- Unsafe Weather
- Aircraft Defect during Pre-Flight Inspection "Walkaround"
- Schedule or Unscheduled Maintenance

Thank you!
